

Dear Toy Town Elementary Parents, Guardians, and Community:

As Interim Principal of Toy Town Elementary, I want to welcome you to a new and exciting school year. Toy Town Elementary custodians have been working hard all summer to get the building ready for the students to return. Teachers have spent endless hours preparing and are ready to challenge your students to be the best learners they can be. As a school community, we are working together not only to provide a high quality education for each and every student, but to also create a positive, productive learning environment. We strive to make sure all students receive the tools they need to become productive citizens who are prepared for the future.

It is as a team that we will make the greatest strides in student success. We at Toy Town Elementary value communication between home and school. We invite you to participate in the PTO and School Council. We also encourage your participation in all school activities. Our first school function is Open House on September 13, 2016 from 5:30 – 7:00. Please join us and meet the school staff and administration. We encourage and value your opinion and participation in your student's education.

I am proud and excited to serve as Interim Principal and look forward to a successful year at Toy Town Elementary. All our students are STARS who work to be Safe Together, Accountable and Respectful. I am confident that by working together, our students will experience a positive, successful school year.

Sincerely,

Maryalice Aker Interim Principal
